## **SUBJECT: USE OF SCHOOL FACILITIES**

Consistent with Board Policy and applicable law, the District encourages the greatest possible use of school facilities. Any such use will comply with the following:

- 1) Requests for use of school facilities must be submitted to the Board of Education or its designee at least two (2) weeks prior to the anticipated activity. Authorization to use school facilities will be granted on a "first come-first serve" basis.
- 2) A custodian will be on duty at all times when facilities inside a school building are in use. Such supervision will be provided "at no cost" during regular working hours. When overtime services are required, an additional fee will be assessed to reimburse the District for this service.
- 3) The \_Akron School District may not aid or perpetuate discrimination on the basis of race, creed, color, country of national origin, religion, political affiliation, sex, sexual orientation, age, marital status, military status, veteran status, disability, or use of a recognized service animal. Community groups and organizations should review their use of school facilities request for conformity. The District reserves the right to require evidence of compliance with civil rights law. However, in accordance with law, the District will not discriminate in its community use of school facilities against any group officially affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United State Code. Nor will the District deny such access or opportunity for reasons based on the membership or leadership criteria or oath of allegiance to God and country. However, such use must be in accordance with the District's community use of school facilities guidelines.
- 4) All activities conducted on school property must conform to federal and New York State laws, municipal ordinances, and District policies and regulations.
- 5) Organizations authorized to use school facilities assume responsibility for the conduct of both participants and spectators. Each group must designate a responsible adult representative who will be present at all times. Arrangements for supervision of anticipated crowds must receive prior approval of the Board of Education or its designee.
- 6) School facilities must be left in the same condition as they are found. Desks, displays, etc. should not be disturbed. All electrical equipment or movable properties owned by the District will at all times remain under the control of the District.
- 7) The District will assume no responsibility for equipment or property belonging to a community group or organization. Such property may not be stored on school property, unless specifically approved by the Board of Education or its designee.
- 8) Community groups will be liable for any damage to school property resulting from activities they sponsor. A check of the school facility will be made before and after each activity by the "person in charge" and the custodian assigned.
