Subject: Refund Process for the 2024 Prom at Templeton Landing

Dear Parents and Guardians,

We hope this message finds you well. As you know, the District's 2024 Prom was held at Templeton Landing. The restaurant has agreed to reimburse the District due to the venue not having operable air conditioning on the evening of the 2024 Prom.

We are now beginning the process of issuing refunds to attendees who paid for a ticket(s) to the 2024 Prom. **If you did not pay for a ticket, please disregard this correspondence.** If you did pay for a ticket(s) to the 2024 Prom, please follow the steps outlined below in order to obtain a refund for the ticket(s) you purchased.

If the District does not receive your request for a refund **by October 1, 2025**, any unclaimed funds from Templeton Landing after this date will be deposited into a District-maintained Student Activity Fund to support future student events, and will no longer be eligible to be claimed as a refund.

Refund Instructions
