FOR IMMEDIATE RELEASE –

SPRING SPORTS REGISTRATION IS OPEN AT ACS

AKRON, NEW YORK (February 20, 2024) - Akron High School and Middle School have announced the opening of sports registration for the Spring 2024 sports season. Parents of Akron High School or Middle School student athletes participating in a spring sport at any level, including modified, will need to register their child on the school's registration platform, FamilyID, at www.akronschoools.org/FamilyID. Registration is currently open for those wishing to participate in Varsity, Junior Varsity and Modified Track and Field or Lacrosse; Varsity and JV Baseball, Softball, Tennis and Unified Basketball. Girls in grades 9-12 can also register for the Flag Football team.

FamilyID offers an easy, user-friendly way to register athletes for interscholastic sports that is convenient and secure. The system keeps track of information for each FamilyID profile. Information is entered only once for each family member and is good for multiple uses and multiple sports programs. FamilyID also helps the Athletic Department be more administratively efficient and environmentally responsible.

Parents can also get to the school's FamilyID platform by going to akronschoools.org/athletics and clicking on SPORTS REGISTRATION from the left navigation menu. The program will guide users through the registration process.

All athletes must be registered prior to the start of spring sport practices that begin Monday, March 11, 2024, for Varsity Track and Field, Varsity and JV Lacrosse, Baseball, Softball, Tennis and Flag Football. The start date for Modified Lacrosse will be March 18th and Modified Track and Field will begin April 15th. Unified Basketball will begin practices on April 11, 2024.

Sports physicals must also be turned in to the school nurse prior to participation in any practices or submitted on the FamilyID webpage.

Questions regarding the process may be directed to Mrs. Wendy Pazderski, Athletic Secretary, at (716)542-5088.
