Setting Up Your Account

Having a Parent account in Schoolology is actually like having two accounts:

1. Your personal account, with your own name and information;
2. Your Child Activity view. From here, you can view Schoolology from your child's perspective, and see what he or she sees, and receive updates about his or her activity.

The first time you log into Schoolology, you may want to set up some of your account settings to make sure you get the most out of Schoolology.

Start by clicking on the arrow in the upper-right corner, next to your name, and then select your child's name to switch into his or her account. The check mark in this drop-down menu indicates which account you are currently in.

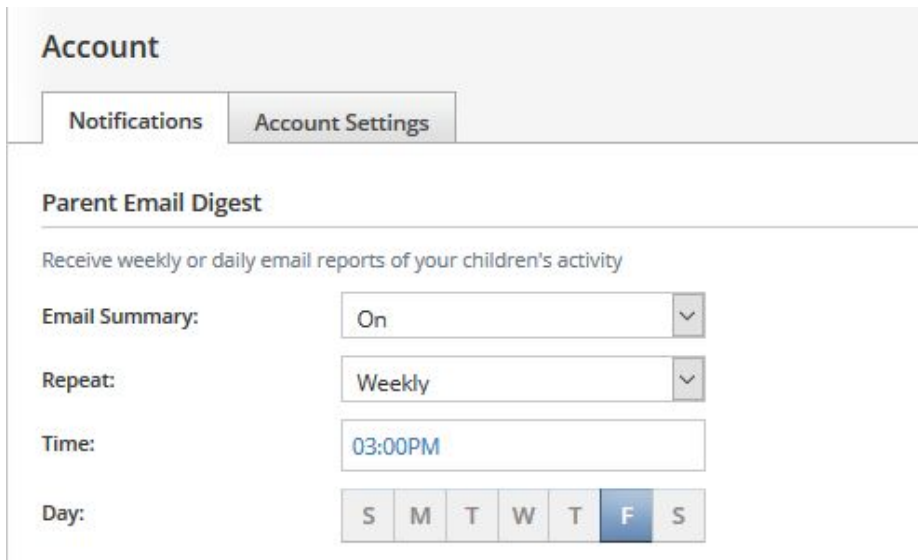

Notifications

To set up your notifications: Click **Settings** from the drop-down menu in the upper right hand corner. From the account settings area, click into the **Notifications** tab.

Follow these steps in your own account to configure your own settings. Follow these steps in your child view to control how Schoolology contacts you about your child's school activities.

Setting Up Your Parent Email Digest

The Schoolology Parent Email Digest is a brief summary of your child's activities delivered right to your inbox. Here, you can opt to receive it on a daily or weekly basis.

The screenshot shows the 'Account' settings page with the 'Notifications' tab selected. Under the 'Parent Email Digest' section, there are four configuration options:

- Receive weekly or daily email reports of your children's activity** (instructional text)
- Email Summary:** A dropdown menu set to 'On'.
- Repeat:** A dropdown menu set to 'Weekly'.
- Time:** A text input field containing '03:00PM'.
- Day:** A row of seven buttons representing the days of the week: S, M, T, W, T, F, S. The 'F' (Friday) button is highlighted in blue.

A Parent Email Digest contains information such as courses your child is enrolled in and grade and attendance information, as well as overdue and upcoming assignments. Depending on the settings configured by your child's teachers and school administrators, an example of a Parent Email Digest might look like this:

 6/24/18 - 6/25/18

Messages & Notifications

When you are in your own Schoolology account (not your child's), icons for your own calendar, messages, connections and notifications display in the top navigation bar, on the right. Any time someone sends you a message, or does something that pertains to you or your child's school, it's easily accessible in the top-right corner of your screen. Everything is chronologically ordered and clickable to make managing them simple. You can also click the arrow to the right of your name to view your own user profile.
