Greetings High School Students and Parents:

New in 2022-23, students participating in Physical Education will be assigned either Mrs. Bennett or Mr. Carberry as their teacher.

Akron Schools is taking steps to streamline the High School Physical Education program and will no longer be separating students based on gender, but rather incorporating choice activity to promote decision-making and a student-centered learning process. Students will have the ability to choose the activity they wish to participate in during a P.E. unit.

Please also note that the assignment of the teacher will not affect locker room usage.

Any questions should be directed to Mr. Schiumo, Director of Athletics, Physical Education, Health & Wellness.

Sincerely,

Christopher Schiumo

Director of Athletics, P.E, Health & Wellness
