MATERIALS

TI-84

Dividers

Binder

Pencils

RESPONSIBILITY

And preparation

1. Come to class prepared with binder, pencil, planner and calculator
2. Write down your homework for the day in your planner.
3. Ask questions if you are confused!!
4. Wear a mask at all times!

CLASSROOM Expectations

1. Come prepared to class with your binder, planner, notebooks, writing utensils, & interactive notebook supplies.

2. Start working on bell ringer immediately, if one is up, so class starts within 5 minutes of the bell. This is when I grade your bell ringers.

3. BE RESPECTFUL OF OTHERS AND RESPONSIBLE.
WE ARE ALL IN THIS TOGETHER, WE GOT THIS!

Technology

Cell phones are not to be used, unless given teacher permission.

You must come to class with CHARGED Chromebooks! We will use these from time to time and they must be ready when we do!

GRADING Policy

Homework: All homework will be out of 5 points (5 points for complete, 3 points for incomplete or late, 0 if not in class or not done)

Tests: Tests count twice in the gradebook, each out of 100 points. The first test grade is the students original score and the second grade is the students score if test corrections are provided by the teacher. If test corrections are provided and the student chooses to complete them, they must be perfect to receive 5 points back on the second test grade. If a student does not do test corrections or corrections are not offered, the second test grade will be the same as the first. Students can submit test corrections until they are perfect. Corrections will be accepted until the day of the next test.

**** Students MUST maintain an 85 average, if they do not, they will not remain in the class****

ABSENT Expectations

This includes if you are just sick, out for the day or home due to something related to COVID

1. You are expected to try the online assignment for that day. You are to watch the notes video and complete your notes while watching. After the notes video you are expected to give the homework a try!
2. If you are confused, you are more than welcome to get help by emailing me during the school day. If it is not during the school day, I will respond the following school day.

LATE/MAKE-UP WORK POLICY

Because our assignments and content build on each other, turning assignments in on time is extremely beneficial to you. All assignments must be turned in for that chapter prior to the chapter test. If an assignment is late points will be deducted. If the chapter test has already occurred, the grade for the late assignment will remain a 0.

If you miss a day where a new chapter packet is passed out, watch the notes video online and open a blank copy of the homework, located in Schoology. If you have a printer you may print and work on it, if not, show all work on a separate sheet of paper.

NEED HELP?

I am available
most ninth
periods, come on
by!

Given the current situation, everything in this syllabus is subject to change. However, will not be done so without communication with the students. Parents will be contacted if any major changes occur.
