2. Message me on Schoology!
3. (716) 542 - 5010

### **CLASS MATERIALS**

TI - 34 MULTIVIEW  
(7<sup>TH</sup> and 8<sup>th</sup>)

TI - 84 (Algebra ONLY)

Dividers

Binder (1 ½ in)

Pencils!

### **CLASS GRADES**

**HOMEWORK:** All homework is worth 5 points. (5 points for complete, 3 for incomplete or late, 0 for incomplete or not done).

**TESTS:** Tests count twice in the gradebook. The first test grade is the student's original grade and the second grade is the students grade including test corrections.

\*\* Test corrections may NOT always be offered, if they are not, the second test grade will be same as the original grade.\*\*

### **TECHNOLOGY**

Cell phones are NOT to be used unless given teacher permission.

You must come to class with a CHARGED Chromebook. We will use these from time to time and they must be charged and ready to use when we do!

### **PREPARATION**

1 Come prepared to class with your binder, planner, notebook, writing utensil and calculator.

2 When you come into the classroom, fill out your agenda, take out your homework and complete the bell ringer.

3 Be respectful of others and the classroom you are in.

### **RESPECT**

You will be working in groups and partners on a regular basis. Your group will be given cooperative learning activities to complete. You will be expected to be an active member of your group and respect others' opinions and thoughts.

# LATE/MAKE UP WORK

Because our content builds on each itself, turning in assignments on time is extremely important and beneficial to you.

All assignments must be turned in for that chapter prior to the Chapter Test. If an assignment is late, not due to an absence, points will be deducted.

If you miss a day where a new chapter packet is passed out, watch the notes video and open a blank copy of homework, located in Schoology. If you have a printer, you may print it and work on it, if not, show all work on a separate sheet of paper.

# CLAUSE

Everything in this syllabus is subject to change, however, will not be done so without communication with students. Parents will be contacted with any major changes.

# NEED HELP?

Feel free to come by ninth period for help!

Let me know in class if you plan on staying with me ninth period to ensure I will be there!

# ABSENCES

\*This includes if you are sick, out for the day, or home due to any COVID related concerns.\*

When you are absent, you are expected to check Schoology for the day's work you will be missing.

Most days you will have to watch the notes video and then complete the homework. You are EXPECTED to give the homework a try!!

If you are confused, you are more than welcome to get help by emailing me during the school day. If it is not during the school day, I will respond the following school day.
