AKRON Middle School Student Government

WHAT IS THE IMPORTANCE OF AMS STUDENT GOVERNMENT?

We believe that Middle School Government is important to our school community.

We meet monthly (sometimes more!) and focus on giving students a voice in events held for our middle school students. We create environments in which our peers get to contribute to fundraisers, participate in community service, even run an election campaign if they so choose, as well as attend and join in on fun school events like spirit weeks and dances!

Fun events for everyone!

We love to host dances, spirit weeks, and much more throughout the school year! We believe this helps build a strong sense of community and school spirit. AMS Government is always here to organize, volunteer and bring opportunities for our students to come together. #OneAkron
