**Re: Distribution of Meals for Student Groups**

Dear Parent and/or Guardians,

The USDA has approved all students to receive free meals until June 30, 2021. This would entitle all students to eat breakfast and lunch free of charge in all three ACS Buildings. Students in school attendance will receive their meals for the day according to building restrictions. Any student not in attendance can pick up their meals at the Akron Front Entrance (front bus loop) from the hours of 11:00am-1:30pm, Monday, Wednesday, and Friday. Bus distribution will also be available every Wednesday 11:00am-1:30pm at the Reservation, Trinity Lutheran Church of South Newstead, and St. Michael's of Wolcottsville.
