

Dear UPK Families,

Enclosed you will find the UPK expectations for distance learning. If we do have to begin distance learning your child will be bringing home their own Chromebook for school work. Each week your child will be assigned their daily assignment slide on Seesaw with their ELA lessons/activities and Math lessons/activities to complete. Most days will require your child to post a picture of their finished worksheet or activity to Seesaw to show the activity has been completed. Below, you will find a brief description of what will be expected for each subject area:

Math: Your child will have a new math lesson assigned Monday-Friday. Please check the daily google slide on Seesaw for the directions on what your child will be expected to do each day.

Literacy: Your child will have a Literacy based assignment/activity assigned each day Monday-Friday. This activity will consist of a letter activity and a number activity.

In addition to the new learning, we encourage each family to complete the following:

Daily Reading: Choose a book from home and read with your child for 10 minutes.

Letter Practice: Practice the pink and yellow flash cards that Miss Kuhn has sent home. Start with uppercase letters. Once your child has mastered these they can work on lowercase letters and sounds

Handwriting Practice: Have your child write their name at least twice (Use the name worksheet that is laminated and the dry erase marker that was sent home).

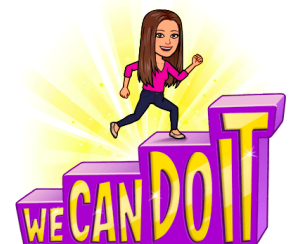

IXL.com: Your child can log into IXL and review UPK skills in ELA and Math.

Starfall: Your child can log into Starfall and read stories as well as complete fun games and activities.

Please remember that this is a time where we don't know what to expect and it can be scary. As teachers we are trying our very best and we miss our students terribly. My biggest concern is that my students are healthy and safe at this point! Please do what you can and if you have any questions NEVER hesitate to ask. Miss kuhn will be available after daily Google Meets. I may not be able to see you five days a week anymore in person, BUT I am still 100% here for you seven days a week!

Sincerely,

The UPK

UPK DISTANCE LEARNING

DAILY SCHEDULE

9:00 - 9:30	Live Morning Meeting For <u>AM</u> Class Monday & Wednesday (a Google Meet link will be shared with families on Seesaw)
9:00 - 9:30	Live Morning Meeting For <u>PM</u> Class Tuesday & Thursday (a Google Meet link will be shared with families on Seesaw)
	Please complete the assignments each day when it is convenient for your family. Assignments must be submitted EACH day however, Miss Kuhn understands that families are working and have different schedules so no daily timeline will be set.
