FOR IMMEDIATE RELEASE –

### **TRAVIS FRY SELECTED FOR TOM BORRELLI MEMORIAL AWARD AND SCHOLARSHIP**

AKRON, NEW YORK (August 23, 2023) – Recently graduated Akron senior lacrosse stand-out Travis Fry was awarded the Tom Borrelli Memorial Award and Scholarship (\$500) as most outstanding Western New York senior lacrosse player for 2022. It was the first time the award has been given since 2019.

Borrelli, a writer for The Buffalo News covering lacrosse and other sports, was “a bona fide lacrosse expert who immersed himself in the sport on all levels, from high school to colleges to the pros.” He became the first media member inducted into the National Lacrosse League (NLL) Hall of Fame in 2006. The Tom Borrelli Memorial Award and Scholarship Fund was created in 2009. The Borrelli Award goes to the top male and female senior lacrosse players in Western New York. Fry was joined by Emilee Josker from Frontier High School girls’ lacrosse team in receiving the award.

Travis Fry’s high school lacrosse career has been exceptional. During his senior season, he led Section VI in goals (80) and points (131) and was third in assists (51) to help the Akron Tigers win the Section VI Class D championship and advance to the Far West Regionals. He was named All-American and selected to the All-Section VI team.

Fry was also an All-Western New York selection during his junior year, leading the Section in goals (70) while third in points (10) for a 16-game season. He has led the Tigers as team captain for two years while accumulating 180 career goals, 99 assists, 279 points, and 48 face-off wins for a face-off win percentage of 59.

“We are incredibly proud of Travis and all of his accomplishments,” noted Christopher Schiumo, Akron’s Director of Interscholastic Sports. “Being selected for this esteemed award in all of Western New York truly caps off an amazing career here at Akron.”

Travis soon begins his career at Siena College with the Saints.
