FOR IMMEDIATE RELEASE –

FALL SPORTS REGISTRATION IS OPEN AT ACS

AKRON, NEW YORK (June 27, 2025) - Akron High School and Middle School have announced the opening of sports registration for the Fall 2025 sports season. Parents of Akron High School or Middle School student athletes participating in a fall sport at any level, including modified, will need to register their child on the school's registration platform, Arbiter Sports, at www.akronschools.org/arbitersports. Registration is currently open for those wishing to participate in varsity, junior varsity and modified cross-country, soccer and volleyball; varsity and JV football, varsity cheerleading and golf, and varsity and modified field hockey.

Arbiter Sports, formerly FamilyID, offers an easy, user-friendly way to register athletes for interscholastic sports that is convenient and secure. The system keeps track of information for each family profile. Information is entered only once for each family member and is good for multiple uses and multiple sports programs. Arbiter Sports helps the Athletic Department to be administratively efficient and environmentally responsible.

Parents can also get to the school's registration platform by going to akronschools.org/athletics and clicking on SPORTS REGISTRATION from the left navigation menu. The program will guide users through the registration process.

All athletes must be registered prior to the start of fall sport practices that begin Monday, August 18, 2025, for varsity field hockey, golf, cross-country, and cheerleading, JV and varsity boys and girls soccer, volleyball, and football. Modified field hockey will begin Wednesday, August 25, 2025. The start date for modified cross-country, boys and girls soccer, and volleyball is Tuesday, September 2, 2025.

Sports physicals must also be turned in to the school nurse prior to participation in any practices or submitted on the Arbiter Sports registration website.

Questions regarding the process may be directed to Mrs. Wendy Pazderski, Athletic Secretary, at (716)542-5088.
