FOR IMMEDIATE RELEASE –

## **FALL SPORTS REGISTRATION IS OPEN AT ACS**

AKRON, NEW YORK (July 29, 2024) - Akron High School and Middle School have announced the opening of sports registration for the Fall 2024 sports season. Parents of Akron High School or Middle School student athletes participating in a fall sport at any level, including modified, will need to register their child on the school's registration platform, FamilyID, at [www.akronschools.org/FamilyID](http://www.akronschools.org/FamilyID). Registration is currently open for those wishing to participate in varsity, junior varsity and modified cross-country, field hockey and volleyball; varsity and JV football, boys soccer and girls soccer, varsity cheerleading and golf.

FamilyID offers an easy, user-friendly way to register athletes for interscholastic sports that is convenient and secure. The system keeps track of information for each FamilyID profile. Information is entered only once for each family member and is good for multiple uses and multiple sports programs. FamilyID has helped the Athletic Department become more administratively efficient and environmentally responsible.

Parents can also get to the school's FamilyID platform by going to [akronschools.org/athletics](http://akronschools.org/athletics) and clicking on SPORTS REGISTRATION from the left navigation menu. The program will guide users through the registration process.

All athletes must be registered prior to the start of fall sport practices that begin Monday, August 26, 2024, for varsity and JV field hockey, soccer, golf, volleyball, cross-country, cheerleading and modified field hockey. The start date for JV and Varsity Football is Monday, August 19, 2024. Modified volleyball and cross country will start on Thursday, September 5th.

Sports physicals must also be turned in to the school nurse prior to participation in any practices or submitted on the FamilyID webpage.

Questions regarding the process may be directed to Mrs. Wendy Pazderski, Athletic Secretary, at (716)542-5088.
