Subject: Your Voice Matters – Help Shape the Future of Our Schools

Dear Akron School Community,

As part of our ongoing efforts to improve the learning experience and overall success of the Akron Central School District, we are asking you to participate in a survey that will inform our 2025-2028 Strategic Plan. Our strategic plan will be shaped by the collective efforts of our entire school community—students, faculty and staff, parents, caregivers, alumni, and all community partners. Your experiences and opinions are invaluable to us, and we are eager to hear your thoughts on what is going well at ACS and in which areas you feel we could improve. This survey will also gather feedback on our progress towards achieving the goals and action steps outlined in our 2022-2025 Strategic Plan. Your perspective is critical in helping us understand where we have made strides and where we still have work to do. Please click the survey link at the bottom of this letter. **We kindly ask that you complete the survey by November 6, 2024.**

If you are uncomfortable with the digital format of this survey but still wish to participate, we will also offer face-to-face interviews on October 29th. You will have the opportunity to meet with a neutral interviewer who is not a member of our staff. If you would like to schedule an in-person interview, please call Heather Milone at (716)542-5062 *before the end of the day on October 25, 2024*, to make an appointment.

However you choose to participate, please note that all information provided in the survey is completely anonymous. It is our sincere hope that you feel comfortable providing honest and thoughtful feedback. We care deeply about your thoughts and feelings toward our school and the work we are doing to serve our children. Whether you're a parent, student, staff member, or community partner, know that your voice plays a vital role in shaping our future. We know your time is valuable, and we are truly grateful for your participation. Your voice will guide us in continuing to create a positive and supportive learning environment for all Akron students.

Thank you for being a part of this important process.

Sincerely,

Andrea S. Kersten
