

What's Happening in Algebra RA?

Welcome to Algebra RA!

We are so excited to begin working with your child this school year. During the month of September, we will be covering Chapter 1.

The tentative date for the Chapter 1 Quiz is 9/15 and the tentative date for the Chapter 1 Test is 9/27.

Upcoming:

- ☐ 9/6 - First Day of School!
- ☐ 9/7 - Signed syllabus due
- ☐ 9/13 - Supplies due
- ☐ 9/15 - Chapter 1 Quiz
- ☐ 9/27 - Chapter 1 Test

Looking ahead:

Throughout this school year, you can anticipate receiving a monthly newsletter from us with any important information. Of course, there are always slight changes that occur due to special events, snow days, or students needing additional time to understand concepts. In that case, we will do our best to send Remind updates if important dates change throughout the month. We have found that when students know their teacher and guardians are on the same page and in frequent communication, they are more successful and are more likely to seek additional help when they need it. With that in mind, please do not hesitate to contact us if you ever have questions or concerns.
