Algebra 2

THIS MONTH

During the month of May, we will wrap up our last unit, Trigonometry. The Unit Test will be Friday, May 16. After this unit test, we will begin reviewing for the Regents Exam in-class.

LOOKING AHEAD: The Algebra 2 Regents Exam is Wednesday, June 25th at 8am. This is, unfortunately, the **LAST** day of exams. It is imperative that students continue to review after the last day of school to continue their skills prior to taking the exam!! There are no make-ups; if students miss the exam, they must wait and take the exam when it is administered again in August.
