ALGEBRA 1

THIS MONTH

Prior to break, Algebra I will be finishing up Chapter 12, their last chapter on Quadratic Functions. We will finish the chapter before break (with no HW over break-- yay!). Coming back from break, we will begin our final unit, Chapter 13, which focuses on Statistics. There will be a quiz mid-way through on 4/29 and the Unit Test for Chapter 12 will occur in early May. After that, students will be completing review both in-class and once per week during mandated Regents Review from 3:30-4:30 (see more about Regents Review below).

LOOKING AHEAD: The Algebra I Regents Exam is Wednesday, June 18th at 12pm. There are no make-ups; if students miss the exam, they must wait and take the exam when it is administered again in August. Passing the Algebra Regents Exam is a graduation requirement.

IMPORTANT DATES

*all dates are tentatively scheduled

- 4/3: Chapter 12 Graded Review
- 4/10: Chapter 12 Unit Test
- 4/29: Chapter 12 Quiz

REGENTS REVIEW

Regents Review is held WEEKLY on Mondays and Tuesdays in Room 214 from 3:30-4:30pm starting on APRIL 7TH.

Students are required to attend once per week and may choose to attend Monday OR Tuesday.

The objective of Regents Review is to expose students to previous Regents Exams, familiarizing them with formatting, how questions are presented, and how to approach problems with multiple problem solving methods.

Regents Review attendance is critical to success on the exam.

Please check-in with your child weekly on when they plan to attend Regents Review.

As always, thank you for your support!! :)
