## ALGEBRA 2

### THIS MONTH

This month we are wrapping up our unit on Statistics and beginning our last unit, Trigonometry. Our trig unit will take us until the middle of May, when we will then begin to review for the Regents exam. On Thursday, 4/10, prior to leaving for spring break, students will take the Chapter 12 Unit Test (no HW over break-- yay!).

LOOKING AHEAD: The Algebra 2 Regents Exam is Wednesday, June 25th at 8am. This is, unfortunately, the LAST day of exams. It is imperative that students continue to review after the last day of school to continue their skills prior to taking the exam!! There are no make-ups; if students miss the exam, they must wait and take the exam when it is administered again in August.

### IMPORTANT DATES

\*all dates are tentatively scheduled

4/10: Chapter 12 Unit Test

### REGENTS REVIEW

Regents Review is held WEEKLY on Tuesdays and Wednesdays in Room 211 from 3:30-4:30pm starting on APRIL 7TH with Dr. Diletti.

Students are required to attend once per week and may choose to attend Tuesday OR Wednesday.

The objective of Regents Review is to expose students to previous Regents Exams, familiarizing them with formatting, how questions are presented, and how to approach problems with multiple problem solving methods.

Regents Review attendance is critical to success on the exam.

Please check-in with your child weekly on when they plan to attend Regents Review.

As always, thank you for your support!! :)
