

Akron Central School District

In Pursuit of Excellence

*Patrick D. McCabe
Superintendent of Schools*

April 19, 2021

Dear Akron Students, Parents, Staff, and Families:

We have created two new videos to provide you with information on the District's response to the April 9, 2021 NYSDOH Interim Guidance for In-Person Instruction as well as our plan to increase the number of in-person learning days at the Elementary School. Families are encouraged to click this link to view my [ACS Return Presentation](#) video. It provides a review of the NYSDOH and CDC Guidance as well as some important safety information.

We are proud and excited to be able to welcome all Elementary students four days a week beginning Monday, April 26th. Wednesdays will remain a virtual day for all students. Please click on the link to view the [Akron Elementary Return Presentation](#) featuring Mr. Todd Esposito and Mrs. Caroline Kos and the plan for the elementary students.

We understand that you may have follow up questions after watching these videos. We invite you to submit your questions through a Google Form. [Please click on this link to submit your questions](#). We will respond to your questions in writing and post the responses to our District webpage on Tuesday.

We also invite you to a virtual community forum on Wednesday, April 21st at 6:00 PM in which we will provide additional clarifying information. The forum is intended for parents or families of elementary students, but anyone is welcome to attend. To join the forum on Wednesday, please [click here](#).

As always, thank you for your continued support and trust in us.

Sincerely,

Patrick D. McCabe
Superintendent of Schools
