Dear Akron Elementary School Parents,

This correspondence is to inform you of our decision to postpone the Open House that was scheduled for Thursday, September, 23, 2021. Over the past several days the elementary school has experienced 5 confirmed cases of COVID-19 and has seen even more students placed in quarantine in accordance with the NYS Department of Health requirements. Unfortunately, we are seeing a similar trend at the secondary level.

The decision to postpone the Open House has been made out of an abundance of caution and in the best interest of our students, parents, and staff. It is also in keeping with our commitment to do all we can to maintain in person learning for our students. We apologize for the short notice and any inconvenience this may cause you.

Please understand that we still intend to provide parents an opportunity to meet their child's classroom teachers and become familiar with the expectations and many unique aspects of the classroom and grade level. We are looking into dates available and will provide you with additional information as quickly as possible.

Sincerely,

Patrick D. McCabe
Superintendent of Schools
