# Algebra 1

## this month:

Students are wrapping up Chapter 4, Functions, with their Unit Test on November 6.

There will be a Quarter 1 Binder Check on Monday, 11/4. Students have a checklist and should get their binder in order prior to the binder check.

We will then begin Chapter 5, which will focus on linear functions, and will tentatively end right before Thanksgiving. After Thanksgiving, we will jump into Chapter 6.
